Energy

New senior school building has sensored lights
People make an effort to turn out lights

Energy

Some lights have no cover – bare light bulbs
Radiators are on full when windows open
Fire exit door left open
Solar power and wind power
Monitoring energy

The Eco Committee have decided that the 3 areas they were going to focus on were:

- ✓ Energy
- ✓ Sustaining our world
- ✓ Litter

The Eco Committee will devise an action plan to develop these areas in our school.
