Micro/Mini/Junior Duke Award Scheme

Our Micro, Mini and Junior Duke Award scheme will run throughout the session. This Award scheme will give pupils from Junior 1 to Transitus the opportunity to participate in a variety of new experiences. It aims to help them realise their abilities and, for some, to develop new talents and passions. More information to follow.

Aside from the additional information included in this document regarding our new clubs, if you wish any further information about these activities, please do not hesitate to contact the member/s of staff in charge.

Book Club

Come along to the cosy library and choose many books to read and chat about with your bookworm friends.

Creative Cards Club

Surprise friends and family with your very own homemade cards to celebrate birthdays and other special occasions! We will use simple craft skills to create cards which will put a smile on everyone's face!

Show Choir

This group will focus primarily on singing, learning the skills to sing, project, harmonise and to work together as a team. Once songs have been mastered, the next step will be to add movement. This group is suitable for any J4-J6 student, with all abilities welcomed for this fun group which is guaranteed to deliver some fun at the end of a working school day while developing many skills on the journey.

Construction Club

Lego and construction materials are a fun resource to further engage our students with their creative side, while promoting fine motor skills, encouraging teamwork and developing problem-solving, planning and mathematical skills.

Quiz Club J4-6

A great chance to test and improve general knowledge skills covering a wide range of topics. The children will be organised into teams to encourage a healthy competitive spirit, and we will recreate some popular game shows to make the learning experience a lot of fun!

Art Adventurers Club

Come along to Art Adventurers Club to enjoy activities such as drawing, crafting, cutting, painting, collage and modelling.
