Music Maestros

A club designed to support all our budding choristers, musicians and possibly dancers. Once we establish a regular group, pupils will help select some of the pieces we may work on. Weekly attendance is required to optimise pupil experience.

Construction Club

Lego and construction materials are a fun resource to further engage our students with their creative side, while promoting fine motor skills, encouraging teamwork and developing problem-solving, planning and mathematical skills.

Comic Club

Join our Comic Club and bring your imagination to life—create your own heroes, villains, and epic adventures! Learn to draw, write, and share your very own comics with friends who love stories just as much as you do!

Digital Leaders' Meeting and Reading Leaders' Meetings

We are looking for new recruits! If you are in J4-6 and interested in developing our knowledge and safe use of technology within the School or have lots of ideas of how to enhance reading across the School and more, these could be the meetings for you. If interested, please write/email a letter of application to Mrs Grierson (DLT) and Mrs Grindlay (RLT) stating why you should be on the Team.

Multi-Sport Club

Join our fun-filled Multi-Sport Club where you will get the chance to try out a variety of sports over the year. We rotate around activities regularly to keep it fresh and engaging.
